I just recently moved to Nevada from Colorado, and between these 2 states all my family resides - And the thought, that with a decision (premature) by the (DOE) my ~~state~~ family and friends could be in grave jeopardy ~~is just absurd!!~~ is just absurd!! There is not a single person in any state that will not be adversely affected.

Please note: For your comment(s) to be considered by the Secretary of Energy before a decision is made whether to recommend the site to the President, your comment(s) need to be received by the U.S. Department of Energy by September 20, 2001. To the extent practicable, the Department will consider comments received after September 20, 2001.

Please feel free to attach additional pages; more postage may be needed. If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so address and postage-paid notice are visible, then secure with tape.
